Subject: DSL Line sharing must stay

EX PARTE OR LATE FILED
ORIGINAL

I don't understand how you can have a problem with line sharing. I pay Verizon for my phone line, then I pay Covad to run their DSL over said line. If this is eliminated I would **be** forced to run a second phone line or forced to **go** with Verizon and whatever price they choose to charge me. If Verizon has no competition this price is certain to go **up**. I can't see any benefit to the American people under this scenario. Please consider this when making your decision.
